

“DRIVE TO SURVIVE”

One of the Nation’s Leading Fire & EMS Safety Seminars is coming to...

HAMLIN FIRE & RESCUE COMPANY

582 Hamlin Way, Hamlin PA 18427

ON

FEBRUARY 8, 2018 at 1900 hours

Each year, nearly 25 % of firefighter and EMS fatalities are the result of motor vehicle crashes, yet few agencies train their members on the safe operation of emergency apparatus and personal vehicles. The **“Drive to Survive”** training program is designed to teach members that no matter how long they have been driving, or how “good” they think they are, there are limits to the safe operation of an emergency apparatus or personal vehicle. Using the same techniques used by crash investigators, this class is designed to provide a better understanding of important topics that are essential for safe driving, such as:

- ✓ Vehicle Dynamics
- ✓ Air Brakes
- ✓ Brake Fade
- ✓ Roadway Friction
- ✓ Stopping Distances
- ✓ Skid Control
- ✓ Critical Curve Speed

- ✓ Rollover Thresholds
- ✓ Anti-Lock Brakes
- ✓ Hydroplaning
- ✓ Tire Blowouts
- ✓ Drunk Driving
- ✓ Personal Vehicle Ops
- ✓ Seat Belt Use

As Featured at the Fire Department Instructor’s Conference (FDIC)

NEW MATERIAL HAS BEEN ADDED FOR RETURNING STUDENTS

The **“Drive to Survive”** training program is a 2.5-hour, lecture based seminar, which has been featured at over 450 different locations throughout the United States, including:

- ✓ FDIC 2017 thru 2006
- ✓ New York Chief’s Conference 2015
- ✓ Orange County (CA) Fire Authority
- ✓ Whatcom County, WA Fire Dept.
- ✓ City of Vandalia, OH Fire Dept.
- ✓ City of Manhattan, KS, Fire Dept.

The class will be presented by Chris Daly, a full time police officer who specializes in the reconstruction of serious and fatal vehicle crashes. Chris is also a 27 year veteran of the fire service having held numerous ranks, including Assistant Chief. Chris is a contributing author to **“Fire Engineering Magazine”** and **“Fire Apparatus and Emergency Equipment Magazine”** and is a court qualified expert in emergency vehicle operations.

Class cost is \$35.00 per person. Each agency will be billed after the class based on the number of members who attend.
